

Visual Art and Innovation Specialist Program 2027

Applications are now open for Year 7, 2027

The Visual Art and Innovation Specialist Entry Program provides students with the opportunity to develop critical and creative thinking skills through experimentation with a range of techniques and materials. Students also explore the application of emerging technologies (e.g. laser cutting & etching and advanced manufacturing such as 3D printing) in contemporary art, engage in collaborative experiences and work with local artists to produce artwork for the community.

Entry into the Visual Art and Innovation Specialist Entry Program is based on a portfolio submission and an interview. Applications close Wednesday 22nd October 2025. Please use the QR code or follow the link provided to fill out your online application: https://bit.ly/4SHgj9d

If you would like to attend the Visual Art and Innovation Specialist Entry Program Parent Information Evening on Thursday 18th September 2025 from 6.00pm – 7.00pm please RSVP via the link: https://bit.ly/4opsHFT
